Museums Celebrate!

**Illinois Association of Museums
2004 Annual Conference
Danville, Illinois
October 27-29, 2004**

Deadline – March 1, 2004

Museums Celebrate! Come celebrate IAMs **Tenth Birthday** at next year's Annual Conference in Danville. While we are celebrating our birthday, we also want to celebrate Illinois museums. Sessions should focus on the great things museums are doing, or should be doing, in their communities to promote economic development, educate children and adults, and to encourage tourism.

The sessions may be individual or panel presentations, workshops, or roundtable discussions. They might even be debates. If you have a suggested topic that will address a particular concern of your institution but do not want to be a presenter, please let us know that too. There might be someone in the field who can address that issue whom we can recruit. Also, if you have a suggestion for a keynote speaker, please make it.

Fill out the form on the reverse and send it to the Illinois Association of Museums, 1 Old State Capitol Plaza, Springfield, IL 62701.

Thank you!
